

Membership Rules.

Memberships provide significant discounts for your classes and are limited in number. Please respect these rules.

1. Your membership must be approved by Big Tree Studio.
2. Your payments are paid **in advance** via automatic payment. This is done on the Friday, Saturday or Sunday of the week **prior** to use.
3. You can not alter the amount you pay without prior agreement.
4. Your membership must be for a minimum of **3 months**.
5. After this period if you are going away for more than **3 weeks** you must pay for each week more than the 3 weeks to ensure your standing reservations and membership are held in place. Alternatively, you choose to stop your membership and lose your standing reservations. You can apply again once you return. There is no guarantee that you will be approved.
6. Your membership is for the designated number of classes only and the payment isn't altered for loss of classes.
7. **If you cancel a class**, you cannot reschedule.
8. If Big Tree Studio cancels a class, you will be informed about what to do with your next membership payment to compensate.
9. If a public holiday is on your class day you can reschedule. Your payment stays the same.
